STRUCTURAL AFFIDAVIT

We shall make normal and usual field investigations for the purpose of evaluating the building located at _____
Needham, Massachusetts in connection with construction to be carried out pursuant to plans and specifications submitted herewith. Based upon these field investigations, it is our professional opinion that the structure of the building is sufficiently sound to accommodate the proposed construction, and that no hazard to public safety will result therefrom.

We further certify that the plans prepared and stamped by us comply with the codes of the Commonwealth of Massachusetts.

The undersigned shall submit periodic reports relative to the materials, progress, and further tests which may be required in connection with this project.
